## **MEDIA STATEMENT**

### **UNQUALIFIED AUDIT OPINION FOR RAND WATER**

Rand Water has received an unqualified audit opinion in respect of our 2018 – 19 financial results from the Auditor General of South Africa.

These positive audit opinion comes at the back of a rigorous independent audit process and once again demonstrated Rand Water's resilience and consistency with a solid financial performance under the current tough economic climate. We have noted the opinion of the Auditor General on specific matters, and have already taken measures to address identified areas of improvement.

In line with our reporting framework, the Shareholder will table Rand Water's Annual Report before the parliamentary recess of 2019.

Rand Water remains sustainable and continues to deliver strong and consistent returns giving comfort for its long-term sustainability.
