

BEWARE OF FRAUDULENT TENDERS

RE: FRAUD ALERT

Suppliers, be warned of fake tenders currently circulating. There are unscrupulous individuals luring the public to submit RFQ's and RFP's using Rand Waters name and logo.

- Amounts ranging from R30 000.00 to R500 000.00
- Rand Water tenders via email, website, The Star and Sowetan newspaper for amount greater than R500 000.00
- Rand Water tenders on CIDB's iTender portal and email for amounts greater than R30 000

You are hereby notified not to transfer any money or supply goods and services to companies prior to confirming with Rand Water offices if the RFQ is legitimate or not.
