

CALL FOR PROPOSALS: NGOs FUNDING

Rand Water Foundation is a vehicle through which Rand Water fulfills its commitment to helping Government in achieving its vision of a better life for all, by promoting job creation, skills transfer, enterprise development, community capacity building, and poverty eradication among communities. The Foundation is mandated to: promote and support the delivery of water related services to communities in the areas falling within Rand Water's area of supply; coordinate, administer and manage Rand Water's Corporate Social Investment resources by undertaking community development projects in partnership with various donors and relevant stakeholders.

The Non-Governmental Organisations (NGOs) Funding is one of the projects implementing the strategy of Rand Water Foundation (RWF) through the NGOs Support Programme, which is one of the seven key focus areas of the Integrated Corporate Social Investment Strategy of RWF. The project is aimed at allocating funds to the NGOs that are operating within Rand Water's area of Supply to ensure service delivery within those communities.

Rand Water Foundation herewith invites qualifying NGOs for funding applications as follows: -
