

## **CALL FOR SERVICE DELIVERY PARTNERSHIP PROPOSALS**

The Rand Water Foundation (RWF) represents Rand Water's CSI legal entity, and it exists to carry out the social responsibility role of Rand Water. The Foundation is mandated to: promote and support the delivery of water related services to communities in the areas falling within and outside Rand Water's area of supply; coordinate, administer and manage Rand Water's Corporate Social Investment resources by undertaking community development projects in partnership with various donors and relevant stakeholders. Rand Water Foundation is a vehicle through which Rand Water fulfills its commitment to helping Government in achieving its vision of a better life for all, by promoting job creation, skills transfer, enterprise development, community capacity building, and poverty eradication among communities.

The Rand Water Foundation recognises the significance of playing a role in fostering an enabling environment for the creation and growth of small enterprises. Promotion of entrepreneurship and small business remains a priority to Rand Water Foundation. With a guiding principle of sustainability, the Foundation's goal is to ensure that emerging entrepreneurs benefit from Rand Water's numerous socio economic development initiatives.
