

## **CALL FOR SERVICE DELIVERY PARTNERSHIP PROPOSALS**

The Rand Water Foundation (RWF) is Rand Water's Corporate Social Investment (CSI) vehicle. The Foundation is mandated to: promote and support the delivery of water related services to communities in the areas falling within and outside Rand Water's area of supply; coordinate, administer and manage Rand Water's Corporate Social Investment resources by undertaking community development projects in partnership with various donors and relevant stakeholders. Rand Water Foundation is a vehicle through which Rand Water fulfills its commitment to helping Government in achieving its vision of a better life for all, by promoting job creation, skills transfer, enterprise development, community capacity building, and poverty eradication in communities

The Rand Water Foundation recognises the significance of playing a role in fostering an enabling environment for the creation and growth of small enterprises. Promotion of entrepreneurship and small business remains a priority to Rand Water Foundation. With a guiding principle of sustainability, the Foundation's goal is to ensure that emerging entrepreneurs benefit from Rand Water's numerous socio economic development initiatives.

The Foundation herewith invites qualified Small Medium and Micro Enterprises (SMMEs) to submit proposals to partner with the RWF in rendering project activities as outlined below:
