CALL FOR SERVICE DELIVERY PARTNERSHIP PROPOSALS

Rand Water Foundation is a vehicle through which Rand Water fulfills its commitment to helping Government in achieving its vision of a better life for all, by promoting job creation, skills transfer, enterprise development, community capacity building, and poverty eradication within communities. The Foundation is mandated to promote and support delivery of water related services to communities within Rand Water’s area of supply; coordinate, administer and manage Rand Water’s Corporate Social Investment resources by undertaking community development projects in partnership with various donors and relevant stakeholders.

Women, Youth and Children Programme is one of the seven key focus areas implementing the Rand Water Foundation strategy. The programme is aimed at providing developmental support to vulnerable children, empowerment of women and youth towards creating sustainable livelihood.

Qualifying NGOs located in Sedibeng District in Gauteng are herewith invited to submit proposals to become service delivery partners of the Rand Water Foundation for the implementation of Orphaned and Vulnerable Children Support Project. Furthermore qualifying NGOs based in Gauteng are herewith invited to submit proposals to become service delivery partners of the Rand Water Foundation for the implementation of School Based Health Awareness Raising Project as follows:

A. Orphaned and Vulnerable Children Support Project

The project is aimed at providing psychosocial support services to orphaned and vulnerable children as follows:
• **Food and Nutrition Support** – Through the school feeding scheme and food bank initiative.

• **Shelter and Care** – Ensure that children have shelter and material needs such as clothes.

• **Education** – Enrolment and or re-integration and homework support programme

• **Financial Support** – Application of social grants for children (beneficiaries).

• **Health Care** – primary health care

• **Protection** – Ensure that children’s environment is safe and secure.

B. **School Based Health Awareness Raising Project.**

Successful applicant will be expected to undertake the following activities:

• To undertake HIV and AIDS education and awareness raising to a total number of three thousand, three hundred and thirty three learners (3,333) teenage learners within the ten (10) schools located in Cullinan, Bronkhorstspruit Hammanskraal, Themba, Kanana, Soshanguve, and Winterveldt townships within Tshwane Metropolitan Municipality in Gauteng.
