

## WEBPAGE NOTICE

26 JUNE 2019

### ONGOING THREATS ON SOCIAL MEDIA AGAINST PROJECT STAFF

Dear WOL Trainees.

Rand Water has noted the **very concerning communications** on social media over the last few days regarding threats to Rand Water staff (kidnapping and burning of property). These utterances are totally unacceptable and the perpetrators thereof will be tracked down and swift action will be taken against them. Threatening staff will not be tolerated.

Rand Water has reported this matter to SAPS and National Intelligence Agencies for assistance to track down perpetrators of these communications.

Trainees are cautioned to **desist immediately** from doing this.

Regards,

A handwritten signature in black ink, appearing to read 'Khalil', is written over a horizontal line.
