WAR ON LEAKS PROGRAMME UPDATE

Dear WOL Trainees.

Thank you to all the trainees that have responded positively to the request to verify their training status on the War on Leaks Programme.

For those trainees that have not provided proof to verify your present training status, your stipend will remain on hold. It is imperative that you submit your verification documents as a matter of urgency. This will assist in mapping your training progress on the programme as well as the payment of your stipend.

You are encouraged to forward your status on the programme via email to the WOL Service Desk as soon as possible. All verification documents to be submitted by the 12th of each month in order for your stipend to be processed for that month.

Please note that as from Monday 25 May 2020, the call centre will be available on the cell numbers 082 304 7526 and 063 505 4490 for the duration of the lock down and your verified documents must please be sent to email address WOLservicedesk@randwater.co.za.

We will endeavour to keep learners informed of any updated information.

We thank you for your understanding on this matter.

Regards,

WOL Management
