### WAR ON LEAKS PROGRAMME UPDATE

Dear WOL Trainees.

Thank you to all the trainees that have responded positively to the request to verify their training status. For those trainees that have not provided proof, your stipend will remain on hold. It is imperative that you submit your verification documents as a matter of urgency, as the cut off for payroll will be Tuesday 8 September 2020.

During all email correspondence kindly provide the following information in order for us to track your query effectively: Name, Surname, ID Number, Training Centre and Query. Also provide an alternative email address if sending the query via an internet café address, so that we can respond timeously.

In light of the level 2 COVID 19 restriction levels, we encourage all trainees to practice social distancing and ensure that you wear a mask and sanitise your hands regularly.

We will endeavour to keep learners informed of any updated information.

We thank you for your understanding on this matter.

Regards,

**WOL Management**
