

RAND WATER

CONFLICT OF INTEREST REGISTER

According to Section 7.6 of the JSE Debt Listing Requirements, Rand Water is required to maintain a conflict of interest register which should be made available on the website when the annual financial statements are published. Rand Water's Integrity and Probity Assurance (IPA) has conducted a related party verification audit on all Rand Water Board and Executive members.

Rand Water hereby confirms that to the best of its knowledge, no conflicts of interest and/ or irregularities were identified of all Rand Water Board and Executive members during the financial year ending 30 June 2022.
